

An Evening with an NTSB Air Safety Investigator

John Brannen, a Senior Air Safety Investigator from the Denver, CO NTSB office will bring an interesting and engaging presentation which includes a discussion on NTSB history, aviation accident investigations, accident case studies and the NTSB as a career.

This is a rare opportunity to talk directly with an individual from the NTSB in an educational environment. For anyone who has an interest in aviation safety, this program is one you won't want to miss.

Directions: Room 1207 of the College of Aviation Academic Building (first building south of the old control tower)
